The *Journal of Management Education* is an international, multidisciplinary journal of research and practice in management education. The journal is required reading for all those who are interested in the field of management education. The journal is published by the American Management Education Association (AMEA), which is a non-profit organization dedicated to the advancement of management education. The journal is published quarterly, and each issue contains a variety of articles, including research, practice, and commentary. The journal is available online at <http://jme.sagepub.com>.
